

Established in 2005, by CEO Susanna Lee,
Beauty Mark was created
with one single purpose.

To exclusively construct cosmetic
and beauty packaging of perfection.

Beauty. Elegance. Perfection.
As a company this is what we strive
to attain from our products and nothing less.
You will not find as much commitment
and pride towards first class products anywhere,
but here, at Beauty Mark.

As leaders in cosmetic packaging we recognize the importance of our customers and their ideas.

As a result, in order to ease the transformation of your design into reality we offer a wide range of services including extensive quality assurance and communication teams to confirm that we meet all certifications. (i.e, ISO 9001 and IFS Broker)

In the interest of the priority and importance of health, safety, and stability in the production of cosmetics, we work with various labs (i.e, Wessling Germany, SGS, and InterTek) to ensure the integrity of our products.
